the 1990s, the number of people with a diagnosis of schizophrenia has increased in the United Kingdom (Meltzer 1996). The prevalence of schizophrenia in the United Kingdom is estimated to be 1.2% (Meltzer 1996).

There is a growing awareness of the need to improve the lives of people with schizophrenia. The United Kingdom has a number of national strategies for mental health care, including the 1998 *Mental Health Act* (MHA) and the 1999 *Mental Health Review Board* (MHRB) (MHA 1998, MHRB 1999). Preface

We the Senior Class of 1953, have worked very hard to put forth an annual that we hope will be enjoyed by everyone.

We have tried to carry out the theme "Taxpayers."

Dedication

We would like to dedicate our 1953 annual to the taxpayers of Keener Township who have made it possible for us to attend school.

Class History

Twenty-three students enrolled in the fall of 1949 to begin our Class of '53 journey through the DeMotte Halls of Learning. We elected Robert Peterson to lead us over the first fourth of our journey. To help him lead we chose Lillian Kingma and Dorothy Wilke. Mr. Moolenaar accepted the duty of sponsoring us and Laura Mae Evers and John Tomczak became our representatives in the Student Council. During the course of this year we chose blue and white for our colors and an American Beauty rose for our flower. "In ourselves our future lies" was chosen for the moto to live up to for the rest of our rugged journey.

In the fall of 1950, Jean Raguse and Marilyn Kaster decided to join us which made twenty-five members headed by Laura Mae Evers with two assistants, Wilma Hoffman and Stanley Krucek. Our sponsor this year was Mr. Hission. Bob Peterson and Joyce Duggins accepted the responsibilities of Student Council representatives. This lap of our journey must have proved hard and tedious for a few of our class because Jean Raguse, Howard Belstra, Dick Van Meerten, Harry Walstra, and Bob Hansen chose to leave us and find their fortune in a different adventure. Before the year was over we acquired Mary Bacon who made the total of 21 students in the Class of '53.

In 1951 the second half of our trip was begun with Laura Mae Evers again as our

leader. Marilyn Schoonveld, John DeKock and Marilyn Kaster were elected as her helpers. Joyce Duggins and Bob Peterson again joined Student Council. Miss Kolling was elected to sponsor us. Mary Bacon, Jack Hixson, and Frank Gross decided to abandon the journey this year. On March 21, we presented "The Inner Willy" to the public. We gave a banquet in honor of the seniors of '52 on May 6 at the Curtiss Creek Country Club in Rensselaer.

Eighteen members now remained to carry the Class of '53 out of the Halls of Learning. Mr. Hission was elected as guide and Don Ptacek as leader. Joyce Duggins, Wilma Hoffman, and John Tomczak served as vice president, secretary, and treasurer respectively. Marilyn Kaster and Bob Peterson represented us in Student Council. Wanting to again show our dramatic talents, we presented "The Little Shephard of Kingdom Come" on October 28. Early in December Bob Peterson was in an accident and had to leave us for a few weeks.

After graduation the eighteen members of the Class of '53 will probably each one go in his own way into the world and in different ways we will try to find our future in ourselves, but, we will never forget the times—both happy and sad—that we had in the course of the four years we were in high school.

BY JOYCE DUGGINS

Class Poem

We, the class of '53,
Leaving high-school now,
To all our many helpful friends,
We'd like to take a bow.

Mr. Hission was our sponsor.
A helper grand was he.
His good advice he gave to us,
And we accepted gratefully.

A secretary is her goal,
A fine one she will be.
For Marian has some very good traits,
And personality.

A farmer John would like to be,
A good one like his Dad.
His winning smile and wavy hair
Make him a handsome lad.

Joyce's grades are always good.
She wants to be a lawyer.
We know that she will reach her goal,
And we'll be rooting for her.

There is a girl within our class,
Who's willing to do her part.
She plays the clarinet in our band.
Laura Mae is really smart.

Known as Jan to all her friends,
Janice is her name.
She'd like to be a secretary
We know she'll reach her aim.

Wilma's the "blondest" in our class.
Her hair is really light.
To be a WAVE or else a WAC
Is what she thinks she'd like.

She was a cheer leader this past year
And did her job quite well.
Marilyn's the redhead of our class,
On the whole, she sure is swell.

Lillian's tall and very nice,
Her smile is really great.
She isn't sure just what she'll be,
Whatever it is, she'll rate.

Her ways are rather quiet ways.
She has a smile for all.
Nancy's grades are always tops.
She's really "on the ball."

Stanley is a likeable lad.
At Shakespeare, he is swell.
He'd like to be a farmer some day,
And that's a job he'll do well.

My writing isn't very much.
That, you can plainly see.
I'll do the best that I know how
In writing poetry.

He likes some sports, but most of all,
Football it seems to be.
Don's grades are always pretty good.
He has ability.

As "Thanky" in our senion play,
She sure was lots of fun.
Marilyn's voice is very good.
She can sing with anyone.

Leonard Swart is really his name.
To us, he's known as Joe.
At farming, he'll be good some day.
That's one thing we all do know.

A cheer leader this past school year,
He did his job real well.
A doctor, Johnny would like to be.
Only time will tell.

She's undecided as of now
Just what she wants to do,
Whatever it is, she'll do quite well,
For Shirley's capable, too.

Dorothy's Ford's known far and wide,
She uses it a lot.
A secretary's her ideal.
When she leaves dear old DeMotte.

Last Will and Testament

By JOHN TOMCZAK

We, the Senior Class of 1953, being in our usual jolly and carefree state of mind, do hereby revoke any, and all of our former wills which we might have made previously; and do part with our most prized possessions in this, our last will and testament.

We will and bequeath to our rightful heirs, the Junior Class, our successful undertakings in our senior year, and all our worn out pencils, so you'll never be caught in class without a pencil.

To the Sophomore Class, we will all of our old books. Hope you take better care of them than we did.

To the Freshman Class, who have just begun the struggle, we will all, every one, of our pleasant high school memories. Hope you'll enjoy them half as much as we did.

We the Senior Class would like to will to all of the teachers many more classes just like ours. Then we ask why teachers get gray hair.

Marian Belstra, being first in line to bequeath her most prized possession, wills her curly hair to John Spurgeon. Congratulations John or would it be more appropriate to say "Curly?"

John DeKock, a fine young, husky lad, would like to will his nifty model "A" to Mary Swart. Put! Put! Put! There goes Mary.

Joyce Duggins, who is very eager to will her ability of arguing on the negative side of a question, to Laura Klemp. Laura it will always keep your class mates from getting bored.

Laura Mae Evers in her always pleasant manner, wills her bookkeeping book and all the pleasant hours of getting it done to Rose Mary and Ruth Ann Belstra. Well, with the two of you working on it you'll be able to cut the time in half!

Janice Hoffman, being in a determined state of mind, wills her big blue eyes to Robert Schlarp and Gerald Kenning. Wow!

Wilma Hoffman, being of sentimental state, wills her shorthand book to Rita Nannenga. Poor Rita.

Marilyn Kaster, the red head of the class, wills her red and white shoe strings to Janie Zeck. Don't string-em along to far Janie. She also wills her height to Bob Nuss—Start shrinking, Bob.

Lillian Kingma, in a care free state of mind, wills her dimples to Tommy Abbring. Nice going Tommy.

Nancy Knynsberg, in a thoughtful state of mind, wills her quiet but successful ways to Kenny Hielema. Make good use of them Kenny.

Stanley Krucek, in an alert state of mind, wills to Norman Streveler, his ability to make Miss Kolling, just swoon, when he reads Shakespeare.

Robert Peterson, the class musician, wills his endless hours of practice on the piano to Marilyn Kingma. That'll keep you busy for a while, Marilyn.

Donald Ptacek, next in line, would like to will his football helmet to Bob Fase and Tommy Coffey, or to anybody it will fit.

Marilyn Schoonveld, in a generous state of mind, wills all her speech notes to Jean Scott and Helen VanKeppel. She hope's they make more sense to you, girls.

Leonard Swart in a reckless state of mind, wills his ability to drive carefully to Jack Swart. Better be careful, Jack.

John Tomczak, in a state of his usual intelligence, wills nothing to Luann Unzicker and Carol Cheever and if they have anything to spare it would be appreciated!

Shirley Wiers, in a determined state of mind, wills her naturally curly hair to Martina Nannenga, so Martina won't have to set her hair anymore.

Dorothy Wilke, last on our list of seniors, wishes to will her old worn out tires to Harold Bult and Marvin Dexter. Boys, you can always have them rethreaded!

Class Prophecy

By JANICE HOFFMAN

Well, 1963 has arrived and we are having the annual reunion of the class of '53.

The reunion is being held at the Edgewater Beach Hotel where Dorothy Wilke and Laura Mae Evers are the proprietors.

Leonard Swart, prosperous Northern Indiana dairy farmer was irked because chicken was being served instead of steak.

The Hoffman Hollywood Producers, Misses Wilma and Janice, are at the reunion with their famous screen actors, Cary Gable, the stage name of Don Ptacek, and Clark Grant, the stage name of John Tomczak. The men are now playing in the movie "Kiss of Fire."

Also in our presence is the TV Star Marilyn Kaster who now has a regular advice to lovelorn program on WZZZ.

Shirley Wiers, the tax collector of New York, is the hostess of this reunion.

We see a conversation between that famous world traveler and reporter, Miss Marilyn "Scoop-a-Minute" Schoonveld and Mr. Robert Peterson. Undoubtedly she is complimenting him because he has just finished a triumphant tour of the most famous European Recital Halls.

Miss Joyce Duggins doesn't look half as serious as her position would seem to demand. She recently received publicity for being the first woman appointed to the United States Supreme Court.

Dolly Hutton, better known to us as Miss Marian Belstra, has just been presented the Academy Award for being the best Actress of the year.

Miss Nancy Knynsberg is explaining to that connoisseur of good foods, Stanley "Duncan Hines" Krucek how to prepare Shredded Wheat ala Knynsberg. Nancy now has her own homemaking program on WBAA-TV.

Lillian Kingma is standing over there. She is assisting Miss Knynsberg with her program.

Now look who trailed in late—the owner of the Five Nines Ranch, John DeKock. He just came in from his 99,999 acre ranch in Texas.

See you in 1973.

The track team had an average 1952 season, winning three out of their ten scheduled meets. This does not seem like a high average, but there was a great individual honor for Roger DeYoung, who placed first in the high hurdles in every meet he was in, except the state final, in which he placed fifth. He has been the only D. H. S. track man to go that far.

The first meet was with Fair Oaks and Griffith on April 7 at DeMotte. The score of the first meet, in which we placed second, was: Griffith-91, De Motte-53 1/2, Fair Oaks-19 1/2.

Our second meet was a dual meet with Fair Oaks on April 11. The score: DeMotte-105 1/2, Fair Oaks-58 1/2.

The third meet and our first meet away from home was held at Hebron on April 16. The score was: DeMotte-70 1/2, Hebron-43 1/2.

The fourth annual DeMotte Invitational was held on April 18. The score of the schools were as follows: DeMotte-55, San Pierre-48, Tefft-46 1/2, Fair Oaks-36 1/2, Mt. Ayr-34, and Remington-5. (R. DeYoung broke the shot put record held by J. Kingma, with a throw of 44' 11 1/2"; the old record 44' 1".)

On April 22 the team went to Rensselaer, but heavy rain would not permit the meet to get under way. This meet was never run off at any later date.

Our closest track meet of the season was lost to Tefft by 1 point on April 25. The score of the meet was: DeMotte 70 1/2, Tefft-71 1/2.

On April 29, Kouts came to DeMotte. The score: DeMotte-45 1/2, Kouts-68 1/2.

May 2, the K. V. Invitational at Wheatfield was held. DeMotte placed sixth out of eleven schools. Kentland-90, Morocco-42 9/14, Wheatfield-42 1/7, Hebron-40 1/2, Kouts-34 1/7, DeMotte-31 9 14, Mt. Ayr-27 1 2, Tefft-26 1/7, San Pierre-23 1 2, Fair Oaks-10 11 14, and Remington-6. DeYoung set records in both high and low hurdles.

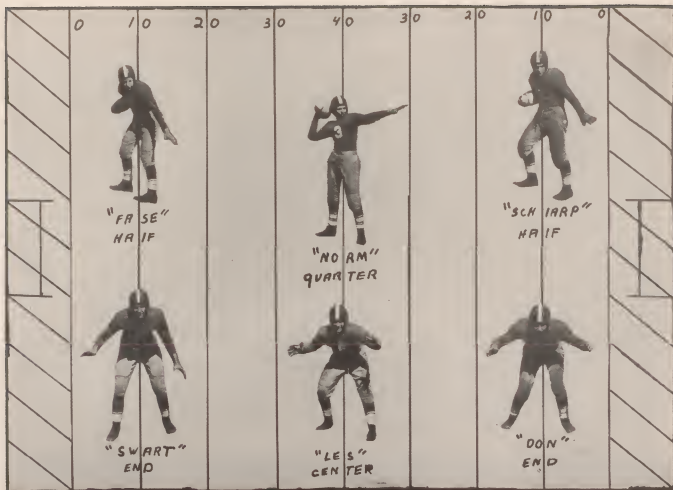

May 6, the county meet was held at Rensselaer. DeMotte placed second. The scores are as follows: Rensselaer-80, DeMotte-61, Wheatfield-52, Tefft-34, Fair Oaks-22. R. DeYoung set a new record in the high and low hurdles. High hurdles 16.0 sec., low hurdles 20.8 sec. Our half mile relay team, consisting of D. Ptacek, H. Kingma, R. DeYoung, and N. Wright, won in a close race, to bring home a small cup.

IHSAA Sect. meet at Frankfort, DeMotte won both the high and low hurdles and placed third in the half-mile relay.

On May 12, we had our last meet of the season. The score of this meet was: DeMotte-51 2/3, Morocco-66 1/3.

ISAA Regional at Mishawaka, DeYoung placed first in the high hurdles and also placed fourth in the low hurdles.

IHSAA State meet at Indianapolis, DeYoung placed fifth in the high hurdles with a time of 15.3. The winning time was 14.6, a new state record.

Our football team had a fair season, winning three out of seven varsity games. Of the games they won, two were conference games. Winning these games put them in third place out of the five teams in our conference. The fresh-soph team won one out of their two games. We had many injuries throughout the season which kept many of our men out of the games. The team was made up of many young men, which gives great hope for a better season next year.

the 1990s, the number of people in the UK who are aged 65 and over has increased from 10.5 million to 13.5 million, and the number of people aged 75 and over has increased from 4.5 million to 6.5 million (Office of National Statistics 2000).

There is a growing awareness of the need to address the needs of older people in the community. The Department of Health (1999) has published a strategy for older people, which sets out a vision for the future of older people's health and care. The strategy is based on the following principles:

- Older people should be able to live independently and actively in the community.
- Older people should be able to access the services and support they need to live well.
- Older people should be able to participate in decisions about their care and support.
- Older people should be able to live in a safe and secure environment.

The strategy also sets out a number of key objectives for the future, including:

- To improve the health and well-being of older people.
- To ensure that older people have access to the services and support they need to live well.
- To ensure that older people are able to participate in decisions about their care and support.
- To ensure that older people live in a safe and secure environment.

- 3 Football game with Morocco. We lost.
- 6 Junior high and high school skating party at Cedar Lake. No broken bones, but a few sore places.
- 7 Rev. Fletcher spoke during activities period.
- 14 Football game with Mt. Ayr. No comments, except that it rained.
- 15 Dramatics Club gave the play "Murder in the Family."
- 16 Make-up and character artist entertained us. It was sponsored by the Student Council.
- 17 Football game with Cayuga. We didn't win.
- 20 Shirley Wier's birthday. High school party sponsored by the Seniors. Freshmen went out on a scavenger hunt. Lots of fun and good food!
- 23 Teacher's Institute. Everyone feels so bad that we have to have two days without school.
- 27 Dress rehearsal. What a mix-up!
- 28 High school boys fought fire today. Let's hope there isn't a water shortage because they sure are black.
- 29 The Seniors gave their play. Everybody can sleep tonight, we hope!
- 31 Halloween. Ooooo!

the 1990s, the number of people with a mental health problem has increased by 50% (Mental Health Foundation, 2000). The prevalence of mental health problems has increased in the general population, and the incidence of mental health problems has increased in the prison population.

There is a growing awareness of the need to address the mental health needs of prisoners. The Department of Health (2000) has published a strategy for mental health services, which includes a commitment to improve the mental health of prisoners. The Department of Health (2000) has also published a strategy for mental health services, which includes a commitment to improve the mental health of prisoners.
